

REMARKS

Applicant wishes to elect claims in group III, claims 4, 6, 12, 17 and 18. Claims 4 and 6 are currently amended to remove the dependencies on withdrawn claim 1 and literally recite all the limitations of claim 1. Reconsideration and further examination is respectfully requested.

Applicants have made a diligent effort to place the claims in condition for allowance. However, should there remain unresolved issues that require adverse action, it is respectfully requested that the Examiner telephone Douglas Leach, Applicants' Attorney at 302-234-4670 so that such issues may be resolved as expeditiously as possible.

For these reasons, and in view of the above amendments, this application is now considered to be in condition for allowance and such action is earnestly solicited.

Respectfully Submitted,
